IS ELE MENTAL

MONDAY, FEBRUARY 24, 2020

JOE'S PUB
AT THE PUBLIC THEATER
425 LAFAYETTE ST. (AT ASTOR PLACE)

This evening celebrates the unique ways in which the arts help transform our understanding of mental illness and open our hearts and minds to mental health and recovery. Funds raised through this event support the Columbia-WHO Center for Global Mental Health conduct research and provide training so that better mental health care is available to those in need around the world.

Tickets sold out quickly last year and seasoned theater goers sighed when it was over, touting it as the most intimate, engaging and uplifting show they had seen in a long while - or even ever. This year promises to be even better!
